

Age 3+  
2 - 4 players

# egg & spoon Race

A Fabulous Party Game! Fun for all ages!

## To play:

Choose a starting line and finish line.  
It is best if these are at least 10 feet apart. String, yarn or rope work well to mark these lines. All players choose a color egg and matching spoon. Put a beanbag "yolk" inside your egg, and close the eggshells. Balance the egg on your spoon, hold your spoon in one hand and stand behind the starting line. A game leader shouts, "Ready, set, go!"  
All players hurry to reach the finish line while balancing their eggs.

## Winning the game:

The first player to reach the finish line without dropping his/her egg is the winner!  
Remember, you can only use one hand to balance the egg on the spoon!

## Game variations:

- All players have to hop on one foot!
- All players must walk backwards!
- All players must turn in circles toward the finish line!

Item # P25028

Made in China
